[EDITOR'S NOTE: We see in the above list the names of so many children whose parents are not subscribers to the Hayti Herald that we are going to ask each child to make a special request of their mother or father to subscribe for it. These little fellows have manifested such interest in the honor roll, coming to us frequently and asking about it, that we think their parents should not force them to borrow it from the other children. Besides, we are working for Hayti and for Hayti institutions, and in as much as you share in the fruits of our labor, if you truly have the interest of your town at heart you will discharge the duty as a citizen you owe your home paper, that does so much for you.]

Have Your Eyes Tested.

R. F. Cannon and J. W. Morris, specialists on the eye, will be in Hayti Saturday, Nov. 6 and Saturday, Nov. 13. Glasses carefully fitted. Office next door to J. L. Dorris. 2-2tp

Little Miss Lois Willson is now making her home at Kennett, with her sister Mrs. Minnie Davis. The reason for the change is on account of the poor health of her sister, Mrs. Frank Cranford. Lois has not lost a day at school.

TEACHERS' MEETING.

Don't forget to hear B. Hugh Smith's illustrated lecture at the city hall on Thursday night, and Pres. W. S. Dearmont's address on Friday night. The people are invited to attend and be benefitted and learn about school work.

This meeting should receive the best efforts of the people of Hayti to impress the visitors with our courtesy and hospitality.

More room is needed for the teachers attending the teachers' meeting that is to be held at Hayti this week. Those who can offer rooms and beds should see Mrs. Will Morris and Miss Letitia McFarland. Don't be backward. We want to make the teachers feel at home and impress them with the hospitality of our city.

Unterberger Bros. are putting on a big sale, beginning Thursday. Rev. Brooks is flooding the country with circulars and posters, and some rare bargains are offered. They promise to do just what they advertise to do, and we hope much new trade will be brought to Hayti.

A full line of Waltham, Elgin, Hamilton, Springfield and South Bend watches. We handle no 2nds. Nothing but the best, that has passed inspection at the factory. Chas. Goodrich, Caruthersville. 30

Jas. Walker of Benton Mo., father of J. R. Walker, the grocery drummer, fell on the streets at the Cape a week ago Sunday, and broke his hip. He is 74 years old, and the hurt is quite serious.

When you see a cross mark on your paper, made with a pencil, it tells you that your subscription is out and we ask you to renew at once. Not hearing from you promptly, we will stop the paper.

Mrs. Carrie Baldwin and children of Kennett are visiting her parents, Mr. and Mrs. Dr. F. A. Mayes. Mrs. Baldwin is in bad health, and comes to place herself under her father's care.

Wall paper at Lefler's.

TRAIL HURT.

While out driving Sunday Wm. Trail was thrown from his buggy and his ankle was badly broken, one bone protruding three inches through the flesh. Mrs. Trail was with him, but had alighted from the buggy on account of the horse becoming frightened at a moving train. Drs. Crider, Hudgens and Crowe are attending Mr. Trail, and it is hoped he will get along well.

Larkin D. Caldwell, one of the pioneer citizens of Pemiscot county, was in Hayti last week, for the first time in thirteen years. Mr. Caldwell noticed many changes—many familiar faces gone and many new ones to take their places—but old scenes appeal to him, and he says he is coming back.

Phine Tisserand, who used to be a Pemiscot country merchant, but now lives in Evansville, Indiana, was in Hayti last Thursday, representing the Davis Plow Co.

Now is a good time to have the Herald sent to your friends and relatives. They will enjoy it more than a letter, because it tells all the news.

Herbert Long and Miss Eva Phillips were married at Braggadocio Sunday morning, Esq. Sam White officiating. Charley Keirser attended from Hayti.

Ladies, you need one of those "Kloset" petticoats to give your form that slender effect. J. L. Dorris has them in all sizes and colors. 46

DOLLARS COUNT

It takes longer to make money than to spend it. Every man should try as hard to save money as to make it. Saving is to accumulate---saving is the key-stone to independence.

Don't forget this point. Your future depends upon the present. The dollar saved in your daily purchases is a dollar made. To help you save money is my stronghold in business, for if I could not aid you I could not expect your trade.

Come and let's figure it over and let me prove to you that this is true. Isn't this fair?
